GulfERP

PRODUCT OVERVIEW · 2026

One cloud ERP and POS for Kuwait's businesses

Sales, purchasing, stock, POS, accounts and salon bookings,
in Arabic and English.

GulfERP by Q8Digital · erp.q8biz.com

THE PROBLEM

Most businesses still run on workarounds

Orders on WhatsApp

Typed again into invoices.

Stock in spreadsheets

Never matches the shelf.

Cheques on paper

Due dates kept in memory.

Tills that stop

When the internet drops.

GulfERP puts all of it in one system, in Arabic and English.

One system for the whole business

ARABIC · ENGLISH · ANY DEVICE

Arabic and English, on any screen

The image displays three overlapping device screens showing the ERP interface. The top screen is a desktop monitor showing the interface in Arabic. The middle screen is a laptop showing the interface in English. The bottom screen is a smartphone showing the interface in Arabic. The interface includes a header with the company name 'erp.q8biz.com', a navigation bar with buttons like 'إلغاء المستند', 'نسخ', 'إرسال', 'طباعة', 'غير مدفوعة', and 'مرقظ'. The main content area shows a sales invoice for 'SI-00596' with details like 'Hawalli Office Solutions', 'Date: 17/10/2026', 'Due date: 16/11/2026', and a total amount of '220.571 KD'. A table of items is also visible, including 'Ceiling fan 56 inch', 'Floor cleaner 5 L', 'Aluminium foil 45 cm', and 'Sunflower oil 18 L tin'. The bottom screen shows a receipt for 'Fresh Basket Supermarket Co.' with a QR code and a thank you message.
